**TOPIC: PUBLIC WORKGROUP MEETING TO DISCUSS THE DEVELOPMENT
OF A REGULATION TO REDUCE EMISSIONS FROM HEAVY-DUTY
DIESEL-POWERED TRUCKS IN PORT SERVICE**

As part of the California Air Resources Board's (ARB) goods movement strategy, ARB staff is in the process of developing a control measure to reduce emissions from diesel trucks in port service. An essential component of the developmental process is public consultation and discussion with interested stakeholders. As such, ARB staff invites you to participate in an upcoming public workgroup meeting to discuss the development of a control measure. The public workgroup meeting will be held at the time and location shown below:

Date: Monday, November 13, 2006
Time: 10:00am to 12:00pm
Location: Conference Room
1927 13th Street
Sacramento, California 95812

Additionally, staff developed a website and list serves to help stakeholders keep abreast of regulatory developments, future meetings, and timelines. Please visit our website at <http://www.arb.ca.gov/msprog/onroad/porttruck/porttruck.htm> for additional information and to join our list serve.

As a result of ARB's continuing effort to increase accessibility and public participation, the workgroup meeting will also be available via audio-conference. To obtain the meeting call-in number and passcode please contact Mike Sutherland at (916) 327-5609 or via email at msutherl@arb.ca.gov.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
